Announcements:

The **webpage** is up and running: www.kendallpw.com. The password to the calendar is 'pw.' The *Kendall Current* will be on the web page. We hope to reduce costs of printing by having the newsletter on line for individual churches to download and print.

The **2009 Churchwide Gathering** will be July 11-16. Check out the newsletter about this: click on www.pcusa.org/pw/churchwide.

Mission Opportunities: Patty gave us copies of info about this, and reviewed it. She wants us to give her our additions, deletions, corrections. Be sure to check the info on the church website: www.pcusa.org/pw/mission. Local PWs are to choose new projects and report to Patty for the annual report, and report to Myra twice a year for the *Kendall Current*.

Leadership Enhancement: Joan said this position is still being defined. She encouraged us all to read *Horizons*, and take part in the upcoming Bible Study of Jonah and Ruth. PW has re-written job descriptions for all positions. We need to figure out how all officers at PWP and local church levels can receive new training. Regional training sessions were decided on for our PWP. Funding is a problem for sending our officers to synod training.

Oct. 12-19, a missionary will be coming to our presbytery. Talk it up in your congregation! The missionary will be speaking to groups of churches in our presbytery.

Kendall Current: Myra needs news by Sept. 20.

The **per capita** is \$6.00 per member, and she has already received the Pocatello share.

Minutes of Feb. 17 PWPCT meeting: Motion made, seconded, and passed that the minutes be approved as corrected.

Treasurer's report: Kristie read her report.

New Business:

PWP Fall Gathering: Saturday, Oct. 20, at Rigby, with theme and program to be decided by Rigby members. Hospitality at 9:30 a.m., Program at 10 a.m.

New **PWP directories** were given out.

Next PWPCT meeting will be Mar. 1, 2008, in Pocatello, at 10 a.m.

Spring Gathering: May 3, 2008, Buhl, with fellowship at 9:30 a.m. and program at 10 a.m.

Other:

Patty Perry is missing a folder which she left at Hollister, with all her mission opportunities info. Please, who ever graciously picked it up, Patty needs it back!

Motion made, seconded, and passed to allow sales of items to support missions and to sell PW related items at the Fall Gathering, with half of monies to go to a mission project of Rigby's choosing, and half to go to the PWP treasury for leadership training costs.

The meeting was adjourned with prayer.

Susie Carter, Recording Secretary
